9881	Employee #1	04/01/2016 02:13:54 (GMT-6)	Outgoing	K... Call me 2nite when u can talk...also is he cool with you after the niece situation?

9963	Employee #2	04/01/2016 11:50:08 (GMT-6)	Incoming	[Jane Doe #17] was talking to me last night about how non-supportive he is when it comes to her career... She's fed up Then [Jane Doe #16]'s dyke cousin pulled D & started stepping with her & it got a little too freaky to the point...[Jane Doe #16's mom] had to tell her niece to stop because that was beyond stepping You could see FURY written all over R face Then once the dancing stopped the girl sat down in the bar chair & D was standing between her legs... V came over & playfully pulled D away & then D disappeared upstairs alone I could tell that V was ear hustling when D was talking to me by the bar... But I had absolutely nothing to say...I changed the subject
9967	Employee #1	04/01/2016 11:55:57 (GMT-6)	Outgoing	Damn!! That's so CRAZY!! If they are fighting...
9969	Employee #1	04/01/2016 12:00:38 (GMT-6)	Outgoing	What made her feel comfortable enough to talk to you about it? What is her career? How old is the niece? So [Jane Doe #16]'s family knows R? I think V is jealous of D... Although I like V, I don't trust her...She's the one who snitched on D when we were in NY... D may eventually leave...Where's Niece, Debra, [Jane Doe #16], & [Jane Doe #16's mom]? D may have done all of that to get him angry..

9979	Employee #2	04/01/2016 12:15:58 (GMT-6)	Incoming	D was overly friendly & talkative with me last night... She's 24yrs...a novel writer...the work she showed me (writing,book cover) is phenomenal....she said he pretends to be interested in helping her but shows no interest...& that he never wants them talking to anyone or going anywhere...she said she's tired of his ways... She's a beautiful young lady No...they didn't know him... Her BFF was here too Her cousin is somewhere between 25-30...

I only saw the cousin flirting with D... He was also upset about [Jane Doe #16] sitting on her gay cousins lap...because he was molested by family so he feels that could lead to them messing around He talked about the girls dancing/tweaking and touching in each other...he doesn't like that unless he orders it... And he told [Jane Doe #16's mom] he was going to get on [Jane Doe #16] & the other girls & she better not come up those stairs to intervene It was loud & thumping up there!!!! He said he's going to teach us how to pick up on vibes... Cause people will try to be sneaky with us & he don't like that...so just be careful & mindful Rob just don't know...I'm far removed from being a FOOL!! Not only do I recognize & know psychology/reversed...I am the damn psychologist!!!</p>

Also let's work on the June calendar today making sure you're off the week of the BET Awards & I'm off the 7/1-5th for

				Essence Fest.

her and deleted her number out of my was when she texted to tell me she bought me lotions and gels for Christmas from you, she can't stand [Employee #4], and she finally met the girls...
Rob I honestly didn't care and hadn't cared about your business with those girls for some time now...

The reason I'm sharing this with you now is because I want my name cleared from all the lies of me telling your business or talking about you...
I told you I'd never tell you what someone had to say about you because I didn't want to see you hurt and I HATE and am not use to MESS or DRAMA!!!
I haven't even told anyone I'm no longer working with you...to avoid questions and lies...
But I couldn't no longer stand by and watch and hear about my name being misused...
I care way too much about my character and integrity!!
And I still have brotherly love and respect for you!!

From: To: +13128413886 R....3886	1/16/2017 11:23:29 PM(UTC+0)	Outgoing	<p>[Jane Doe #18] has tried on several occasions to talk to me about you and I've shut her off because I didn't want to get mixed up in childish drama...</p> <p>[Employee #4] and [Jane Doe #18] told me how you'd say I was the devil and mean...</p> <p>[Employee #4] said she knew better because you would say the same things about her and Shell to [a girlfriend]...but she would just play along with you...</p> <p>She and [Jane Doe #18] said you think I gave one of the girls parents the addresses to the big house and guesthouse.... (I'd never do something like that)</p> <p>[Employee #4] said you went off on Deborah and left me in Atlanta because you were told Deborah and I had been sitting around the hotel bar talking about you...(I've never talked about you to Deborah and she's never talked about you to me) Deborah is a true friend to you!!</p>

From: To: +13128413886 R....3886	1/16/2017 11:08:09 PM(UTC+0)	Outgoing	<p>When [Employee #4] told me I never said anything because I #1 didn't trust her to engage in conversation about it and #2 I didn't care!!!</p> <p>But I already knew because I was in the studio VIP section napping one day and as soon as you and Bug left the studio, [Jane Doe #18] woke me up crying saying you took her phone, saw pictures and messages to other guys and jumped on her. She showed me her face where she said you slapped her and she pulled down her pants showing me bruises on her butt saying you spanked her... She then said she wanted to leave you but was going to stay until you got her boobs done...</p> <p>I told her she was wrong for staying for that reason and i told [Jane Doe #18] if she was going to stay with you I never wanted to know her business where you were concerned because I didn't want my name in any drama...</p>
